Subject: Meetings cancelled until 31 March 2020

Dear parents and care keepers,

Today Scouting Nederland changed the advice for the regular meetings from our Scout Group because of the Corona virus. Scouting Nederland advised to cancel all the meetings until March 31.

In the Scouts game there is a lot of physical contact, with this decision we follow up the advice from the Dutch Government to avoid social contacts in public.

Our Scout group is following the advice from Scouting Nederland. This means that all meetings are **cancelled** for a few weeks until March 31.

We will send an update if we have more information and about meetings after 31 March.

If you have questions about Scouting and the Corona virus please visited the website from Scouting Nederland for more information: <https://www.scouting.nl/nieuws/1856-vragen-en-antwoorden-over-scouting-en-het-coronavirus-covid-19>.

Sincerely,

Chris van Arentthals
secretaris
