

# DE STAM VAN DE GRIJZE WOLF

Woudwachters Weekend  
Bieslandse Bos  
9 en 10 april 2022

The Hague, 15 March 2022.

Dear Parents and Cubs,

On April 9 and 10 we want to have a weekend with the cubs at the Bieslandse Bos camping site in Pijnacker.

Indeed, we are going to spend the night in tents on a very beautiful scouting site and we are not doing that for nothing, but because we are going into prehistoric times with our theme.

The Woudwachters visit a tribe of cavemen. While there, things like food, as well as eating utensils, flints, spears, clubs, etc., keep disappearing.

Of course we will go looking for the thief with the cubs, so that promises to be very exciting. Everything becomes primitive, so we eat by the campfire and sleep in the middle of nature.

This weekend the Explorers, boys and girls aged 15 to 18, will also camp at the Bieslandse Bos. They will occasionally help us with the primitive life.

We hope everyone is looking forward to it and going back to prehistoric times with us.

Kind regards,

Bert, Patricia, Valerie, Marc and Hindira.

**Cost :**

The weekend costs € 20.00 per person.

Please deposit this before Wednesday 6 April to:

NL51 INGB 0520120183  
T.n.v. Patricia Wesseling
